Show Holiday

Infectious Disease Time Out

Queensland Health’s Time Out campaign helps reduce the spread of infectious diseases by encouraging parents to keep their children at home if they are ill.

The best way to prevent the spread of germs is to keep surfaces, toys and equipment clean and encourage children to wash their hands often, even when they feel well.

If a child is suffering from a virus, gastroenteritis or other infectious disease exclusion rules may apply.

Visit www.health.qld.gov.au/publichealthact/ contagious to download a poster for reference.

School Photos

Thursday 26 July

NQ School Photography will be taking school photography from 9.00am. We urge all parents to dress their children in their best school uniform on the day. Black shoes (no

coloured laces) and white socks must be worn, so that it does not distract from the uniformity of the photo. Hair must be neat & tidy and if long, tied up. Girls’ hair works best if it can be seen from the front ie. consider a pony tail slightly to the side. Hair accessories should be minimal and should complement the school colours. Narelle Henderson will be selling uniforms on Tuesday 24th from 8.00am—9.00am. Photos can be ordered online at www.nqsp.com.au using this shoot key **QF4N4EC6** or return the paper order form your child receives to our photographers on photo day. The Special groups that will be photographed this year (aside from class photos) will be School Captains, House Captains & Choir. These special groups are \$15 each and can be ordered online or on your paper order form in the Special Group section. Sibling photos will only be taken with a completed Sibling Order form available from the school office. They can also be ordered online. Please note: Credit card payment can only be made on-line.
