Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- regular testing (P-2 students) – PM Benchmarks, sight words, writing, numeracy
- improve Teacher and Teacher Aide capability through focused Professional Development in literacy and explicit teaching
- Provide Teacher and Teacher Aide support targeting ‘at risk’ students – daily reading, sight words and small group literacy and maths sessions. (Four targeted students have improved 10+ PM Reading levels this year and after working in the year level below maths class, all have been promoted into their correct year level and achieving satisfactory results.)
